Terms and Conditions

GästeCard/WinterCard Terms of Use 2020/21

The Tourist Information Centre [TVB] offers its member-companies (hosts) a digital GästeCard in the winter season – the so-called WinterCard [GC]. The preconditions are that the hosts declare themselves as a partner of the TVB. The GC is a 'card' which offers discounts on a variety of services to the authorised user.

The 'card' is free of charge. By accepting the GästeCard, the guest [GC-Guests] agrees to the following conditions of use:

- ➔ The validity of the GC is dependent on the duration of stay at the same accommodation. This is shown on the card. If there is a change to the duration of stay, especially an extension of stay, the host must issue a new card.
- ➔ The GC is non-transferrable and only valid for the person in whose name it is issued. If lost or damaged, you will have to report this to your host immediately. The TVB reserves the right to confiscate i.e. block the card in the event of misuse or any suspicion of misuse.
- ➔ GC-Guests can purchase services at discounted rates from their host, the service provider or the Tourist Information Centre [TVB]. There, the contract takes effect with the service provider, with the TVB merely acting as an intermediary. The TVB assumes no liability and takes no responsibility for the services provided.
- ➔ If the GC-Guests could not redeem their purchased voucher during their stay, they can only ask for a refund under special circumstances: cancellation of service attributed to force majeure i.e. storms, avalanche closures; full or partial discontinuation of business; or injury/illness (refund is issued against a doctor's note). Refunds can only be issued at the Tourist Information Centre.
- ➔ For discounted rates, the GC must be presented at the time of purchase and the purchase must be made before the use of the services. Therefore, a discount i.e. on a purchase made on the cross-country trails (after entering the trail network) CANNOT be applied and the price is to be paid in full.

Privacy Policy Agreement: By accepting the GC, the GC-guests further agree to their personal data (first name, surname, date of birth - as shown on the GC) being anonymised to avoid contractual abuse and further processed electronically and evaluated for statistical purposes only. The conditions of our data protection policy can be retrieved at any time via our website www.ramsau.com.
